Retiree 2012 Tax Statement Reminder

Retiree and annuitant pay customers of the Defense Finance and Accounting Service are scheduled to receive their 2012 tax statements between mid-December through January. Most of the 1099 forms will be available a week earlier via the [online myPay pay account management](#) system for retired military members and annuitants. Retirees and annuitants must keep their contact information current to avoid delays.

For more information about account maintenance, 1099-R requests, and logging in to myPay, visit the DFAS website at <http://www.dfas.mil/retiredmilitary.html>. People without an online account can contact DFAS at 800-321-1080.
